3. Tenders should be superscribed "Tender for the supply of provisions to the Princess Krishnajammanni Sanatorium, Mysore, for the year 1940."

4. No tender will be received unless accompanied by a receipt for Rs. 200 deposited in any of the Government Treasuries in the State as earnest money for tender to the credit of the Medical Officer, Princess Krishnajammanni Sanatorium, Mysore. No cash payment will be accepted.

The value of each tender must be worked out according to the rates tendered and the total value must also be entered in words in ink.

7. The quantities stated in the list are not guaranteed.

8. The Senior Surgeon does not bind himself to accept the lowest or any other tender or to assign any reason for not accepting any tender.

9. The deposit of the successful tenderer will be retained, and will be forfeited to Government if he fails to complete the contract by executing the necessary agreement and furnishing the required security (to the amount of Rs. 400), within three days from the date of his receiving the intimation of the acceptance of his tender.
